**Partner with ISB through
Corporate Social Responsibility (CSR)**

At the Indian School of Business (ISB), we are committed to shaping the future of education and leadership through innovative research and transformative initiatives. We believe that Corporate Social Responsibility (CSR) can play an enabling role in driving meaningful change and fostering long-term societal impact.

Known to be one of the finest examples of collective philanthropy in higher education in India, the School, as it exists today, is the outcome of the shared vision and the giving of an eclectic group of individuals, institutions, business houses, and various governments.

As a leading educational institution, ISB offers organisations a unique opportunity to align their CSR efforts with impactful initiatives such as scholarship programmes and research support that make a tangible difference. We invite you to fill out the form below, and our team will connect with you to explore how we can work together to achieve shared objectives through your CSR support.

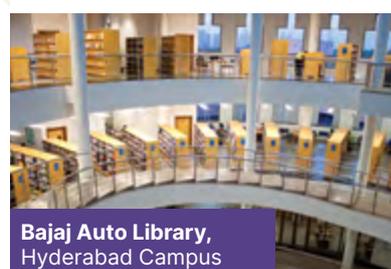

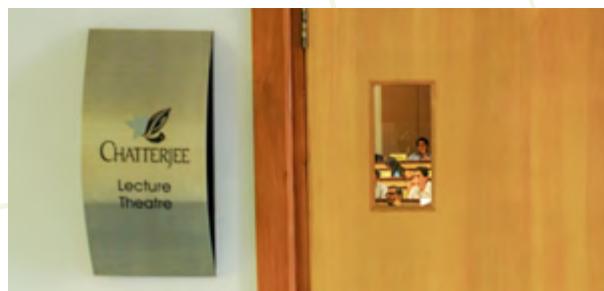

Why partner with ISB?

- Drive impactful research and leadership development
- Enable access to world-class management education for meritorious students
- Support, build, and access state-of-the-art facilities and expertise
- Leverage a global network of excellence
- Avail tax exemption
